

Hello \_\_\_\_\_,

I hope your summer was amazing! I can't wait to hear all the wonderful and exciting things you did :) My name is Ms. Bridget, and I am so excited to tell you that I will be your teacher this year! Most of you already know me as Maggie's mom, and I can't wait to dive into learning and exploring with you!

This will be my first year teaching at Plato Academy. For some of you that were here last year, I enjoyed spending time in your classroom so much, and now I am looking forward to seeing you every day. For anyone that is new to Plato, like me, I can't wait to meet you!

I really love music and theatre and I hope you do too, because we'll be doing a lot of singing and acting this year! Growing up I played the piano and also played the flute in my high school **orchestra**. Do you play any instruments or would you like to? My favorite movie is The Greatest Showman. I can't wait to hear what your favorite movie is.

Now let's see if you can guess my favorite food:

1. They can have a **variety** of toppings.
2. They are very **common** in Mexico.
3. Dragons LOVE them.
4. They can be spicy or **mild**.
5. They are served on corn or flour tortillas.

Have any guesses? Make sure to tell me what you think it is on our first day of school!

I know we will have an **adventurous** and exciting school year! If you have any questions or concerns or just want to say hello, please feel free to email me at [bridget.Grimaldi@hotmail.com](mailto:bridget.Grimaldi@hotmail.com).

Sincerely,  
Ms. Bridget

P.S. Here is a picture of my family. Please bring in a picture of your family to share too!
