About Me... Hi! I'm Ms. Alexandra, I am thrilled to be your teacher this school year. I love teaching the middle grade levels and I am excited about all the fun and interesting things we are going to learn together. This will be my third year teaching at Plato Academy and am so proud to be apart of the Plato family. I thought you might want to know a bit about me, as I am just as interested in learning about you! I grew up in Mt. Prospect, IL and am the youngest of 3! I have two older brothers and was recently married. As for school, I earned my Bachelor's degree in English from DePaul University & my Master's degree in elementary education from National-Louis University. During this time I was able to gain an endorsement at the Middle School grade levels.

As for this summer, I would love for all of you to read, *The Phantom Tollbooth* by Norton Juster. We will also begin our year exploring the 200th Anniversary of Illinois.

Happy Reading!

With Love, Mrs. Alexandra Christopoulos

*"The Phantom Tollbooth is here to show you, once and for all, that learning can be fun. The allegories of The Phantom Tollbooth add a layer of learning that even the wisest can appreciate."
What's an allegory you say? stay tuned...*
