

Welcome!!

08/10/2018

Dear Student,

WOOOOOOOO!!! I am so excited to **FINALLY** let you know that we will be together again this year! YES! I cannot wait for another what's sure to be fantastic year *playing, LEARNING, wondering, growing, exploring,* and so much more. I have missed you all during the summer, but I am so excited to hear what you have all been up to and tell you all about my summer adventures, too! Are you taller? Are you tanner? Did you get a new haircut? Please tell me you still love pizza. The anticipation is just TOO. MUCH!

Without giving away *too many fun and surprising details,* I wanted to get you pumped and ready because we're going to kick off our K/1 school year with a super exciting engineering exploration all about **planes, trains, and automobiles!** Give your mom, dad, brother, sister, cat, dog (no fish though guys) whoever, a high-five right now if you're just as excited as me! I hope I get to see you all on the 21st, but if not, see you on the first day of school! Don't forget..I believe in you, I support you, I love you, and this will be another amazing school year to remember.

Love, Ms. Anna
