11/01- 11-09 Charleston Wrap Sale-on line sale November 2 -9 - Sara shared that **Charleston Wrap is having internal issues and as a result we had to shorten the sale time to only 1 week** Flyers to go home with a Plato code for online ordering. * can extend the sale a couple of days after the official end date but in order for any personalized items to be received on time they should be ordered no later than that. All items will ship directly to the purchaser, not the school. There is free shipping on all orders over \$85. Plato will receive 40% back on all items except personalized items and magazine orders will be 30% back. - **It was suggested that we use the proceeds from this fundraiser to purchase/update the items on the A/V cart**

Sara shared that in the future, if we would like to do the Charleston wrap fundraiser and have all of the ordered items shipped to the school to avoid individual shipping costs, we would need to sign up for that version of fundraising sometime in or around June.

- Sara and Rebecca volunteered to get the ball rolling and draft the email for staff

-It was also mentioned that we should reach out to Lydia and Joanna to see if they would be willing to lead us in continuing to host a cultural night (since a social committee has not been established) and the PTO would back the event - Marissa volunteered to reach out to them
