PLATO ACADEMY SUMMER 2019 REGISTRATION APPLICATION

Academic Exploration & Outdoor Adventure (Pre-K through 8th Grade)

Children will love this 3-day (T,W,Th) or 5-day (M-F) program as they explore and discover a variety of topics by following the Project Approach. The program will build on the students' natural curiosity, enabling them to interact, question, connect, problem-solve, communicate, reflect, and more! Math, science, reading, writing, social studies, art, games and sports will be incorporated into their daily adventures both indoors and outdoors. All classes will incorporate daily outdoor play and exploration (all within a 1-mile radius of the school). Students will be grouped based on age ranges. All students must bring a nut-free sack lunch from home as well as a healthy nut-free snack. A minimum of 10 students must be enrolled for each session to run. Classes will run from 9:00am - 3:00pm. Before care (8:00-8:55am) and after care (3:05-5:45pm) will be available at the rate of \$5/hour. For students who arrive prior to 8:55am or get picked up after 3:05pm, accounts will be billed accordingly. Two sessions will be offered with a 1-week break in between.

\$100 non-refundable registration fee per family is due when submitting this application and will be applied as a credit to total tuition which is due on May 15, 2019.

Please mark your choice for each session.
