

Dear Room 5 Parents & Guardians,

Hello! My name is Katlyn O'Brien & I could not be more excited to step in for Ms. Lesley and work with your children to have an incredible rest of the year at Plato. I wanted to take a moment to share a little information about myself and invite you to an informal Meet & Greet.

I have a Bachelor of Science in Education degree from Western Illinois University, and a state of Illinois teaching license. I have over 7 years of experience in the classroom, including 4 successful long-term substitute positions. I also have a lot of diverse experiences with school age children in different settings. I just relocated back to Illinois and am currently a Des Plaines resident. Some of my favorite things include reading, family, Chicago sports & anything outdoors.

I am so excited to become a part of the Plato Family! I have a cousin that attends Plato Academy. She has had such wonderful experiences here. I cannot wait to learn, play, & grow with your children! In order to learn more about your child, will you please fill out & send in the "WHOOO is your child" form, attached to this letter. I will be working hard to learn about each and every one of them & this will be such a great way to get your input too!

Lastly, I wanted to invite you, to an informal meet & greet on Friday, April, 5th from 8:15am until 8:45am. This would be a great time for me to introduce myself to each of you & for you to see our new classroom environment. ☺

Please do NOT hesitate to reach out to me with any questions, comments or concerns you may have. I am looking forward to an amazing end of the school year!

Love,
Ms. Katlyn
