### **Exploration~ World Religions**

Novel~ Going along with our exploration over the last few months, we have chosen to finish off the year reading *The Alchemist*. I am very excited to be sharing such an amazing novel with all of my students and hope that we can each find our path to our personal legends.

### **6/7th graders~**

For the next few days the 6th and 7th graders will be taking their end of the year assessments. The assessment will cover all subjects and give the students practice taking a standardized test.

### **8th graders~**

Over the last few weeks the 8th graders have been working on their graduation speeches! I can not believe the time is almost here to say goodbye to our 4 8th graders, but I am very proud of all the work they have put in over the last few years and can not wait for all of you to hear their beautiful speeches. Do not forget to send Maria an email with all the guest that will be attending the graduation so we can save seats for each of you.

### **Boston~**

Our trip to Boston was amazing!! We created so many memories and were able to learn so much along the way. We enjoyed our city tour and walked the Freedom Trail that gave us a chance to explore the entire city. We were also lucky enough to attend a Boston Red Sox game at the famous Fenway park! I hope that all students enjoyed our time in Boston :)
